

THE CENTRE FOR SOCIAL SCIENCE RESEARCH

The Centre for Social Science Research (CSSR) is an interdisciplinary research centre based at the University of Cape Town. It was established in 2001 with generous core funding from the Andrew W Mellon Foundation and in close collaboration with the Institute of Social Research at the University of Michigan in the USA. The CSSR's goal is to promote quality and innovation in social science research in Southern Africa. It is a focal point where a community of scholars share ideas, comment on each other's work and co-operate in research projects in a cost-effective manner. The CSSR's work contributes to a better understanding of social and economic realities and informed public policy-making.

The Centre for Social Science Research is made up of the following units: The Aids and Society Research Unit; the Data First Resource Unit; the Democracy in Africa Research Unit; the Social Surveys Unit and the Southern Africa Labour and Development Research Unit.

CSSR DIRECTORATE

The CSSR Directorate is the administrative hub for the units making up the CSSR. It manages the finances, edits and produces working papers, organises meetings, and provides an organisational focal point for the CSSR. Nicoli Nattrass is the CSSR Director, Kathy Forbes is the Administrative Officer, and further assistance is provided by Libbi Downes and Nondumiso Hlwele. Allison Stevens is the Publications Manager.

CSSR REVIEW COMMITTEE
